

Fifty Shades of Gay

Straight, bi or gay, or 'prefer not to say',
Well it doesn't matter anyway!

Pride in the Partnership welcomes all,
Gay and straight, short and tall.

Focussing on diversity,
We embrace all staff.
So come along and make new friends –
You're guaranteed a laugh.

Founded by a group
Who want to raise awareness,
Pride in the Partnership
Champions fairness.

We won't make you go to Pride
Or fly a rainbow flag.
It's up to you what you decide,
We promise we won't nag.

Scene queen or never been?
Just come and be yourself,
No need to fret or worry,
Leave inhibitions on the shelf.

So whoever you are or if you're not sure,
No need to look far – contact us for more
Information about our future meetings
Then come along and expect warm greetings.

Have you exes of both sexes?
Then that's ok.
Everybody's welcome,
Whatever shade of gay.
