

Helpline Launch Poem

Maternity Action –
We're ever so nice
And STOP PRESS
Yes! Indeed we give phone-based advice!

Are Mat or Pat Leave giving you grief?
Your employer saying 'turn over a new leaf!'
Been made redundant or missed a promotion?
Call us and we'll help you to make a commotion.

Have you NRPF, or confused by your rights?
Issues with pay or felt some oversights?
Are you seeking asylum or a refugee?
Now you need not call the EHRC.

No referrals to ACAS and that is because
You can now make one call - speak directly to Roz.
Need flexible hours or breastfeeding space?
Then give us a call - this is the place.

Confused with your sick and maternity pay?
Or experiencing issues with your JSA?
Are you a lone parent on income support
And not getting quite the income you thought?

So put down your baby and pick up the phone –
We'll hear your story – it's ok to moan.
Just give us a ring and you'll see the attraction
Hurray for our helpline - Maternity Action!
