

## **One Day Moses Had a Thought**

One day Moses had a thought  
I think I'll build a beach resort!  
English, Russian, German too  
Will flock here if there's stuff to do.

They can visit the monastery  
Where that tree first spoke to me –  
Bedouins can sell books and sparkly stones  
And camels ease their walking groans.

I'll speak to Thomson and First Choice –  
Ensure tour companies hear my voice;  
Then I'll contact Lonely Planet –  
The whole world will come – from Shetland to Thanet!
