

"Not Fare" – Ode to the Revenue

It all kicked off at half past three
With the ticket inspectors and the BTP.

"Ticket-wise Plumstead's one of the worst"
A cup of tea to quench my thirst.

She says she forgot to touch in or touch out,
But her innocence is clearly in doubt.

Listen - I won't lie to you,
I know this station ain't zone 2.

Yet another fare evader,
Inevitably, they delayed her.

You seriously thought
