

We gathered in Rwanda

We've learnt and we've shared,
We've grown, we've prepared
To go back to our organisations,
And encourage Stop The Violence conversations.

Rwanda has seen tragedy and genocide,
But there is so much strength in a Rwandan guide!
We've gained practical knowledge to address the fear that violence brings
Through campaigning, advocacy, amongst other things.

What a wonderful week we've had -
So much learning and I'm so glad
That I was able to participate -
The Fifth World Centre pilot was great.

We've laughed and we've cried,
We've received inspiration.
We even did some
Comedy improvisation!

The impact this week has had
Is hard to quantify,
So enormous thanks to all,
And so, for now, goodbye.

Poetry for any purpose
Commissions ~ Workshops ~ Performance
